SAFETY PLAN

UMAC has drafted COVID Safety Requirements for the Tournament. Please review the Requirements carefully.

Some highlights:

1. Players will be socially distanced in the expanded bench area. Three players sit in the open-air dugout at pre-marked, socially distanced spots, and the additional players sit on the bleachers and on buckets next to the dugout (or in a personal chair). All player spots are marked by a number. Players will also be instructed to place their baseball gear distanced on/along the fence.

2. **Spectators will be limited to two per player or a maximum of 50 total spectators.**
Rosters will be capped at 13 players and 3 coaches. Montgomery County has strict attendance requirements, so please be sure to communicate this requirement to your players' families. We would encourage teams to use Game Changer Team Manager, which now has a live stream feature, so families who are unable to attend can still watch.
3. Each field is fenced and there is a separate area for spectators. As shown on Attachment A, spectators for Field 1 will be instructed to sit along and behind the outfield fence.
4. All spectators, volunteers, officials and coaches will be required to wear a mask at all times. Players will be required to wear masks between practice drills, on the sidelines, arriving at or departing from the playing facility, while not on the playing field.
5. We will communicate clear and direct instructions outlining our COVID protocols prior to the Tournament. Teams that do not follow our Guidelines will be asked to leave.
6. We will provide ample signage throughout Taylor Fields reminding spectators to wear a mask and remain socially distanced.
7. Players will not be permitted to share drinks or food.
8. Hand contact of any kind, including fist bumps, high fives, etc. will not be permitted.
9. We will collect rosters from each team to facilitate contact tracing, if needed.
